…Respondents

THE HONOURABLE SRI JUSTICE C.V.RAMULU

WRIT PETITION No.23819 OF 2006

ORDER:

The only grievance of the petitioners is that there is one Bondada Canal passing through the village and on either side of the canal, the bund is spread over and the said bund land is being assigned to landless poor for the purpose of house sites.

Firstly, the tank bund land cannot be assigned for house sites. Secondly, if the same is given for house sites, it will damage the canal bund and ultimately, it may, obstruct the water flow in the Bondada Canal. In this regard, the petitioners have already made a representation ventilating their grievance before the first and second respondents on 5.8.2006. However, the said representation is not considered by the respondents.

In view of the above, without expressing any opinion on merits, the first and second respondents are directed to consider the representation purported to have been made by the petitioners on 05.08.2006 and dispose of the same, within a period of 6 weeks from the date of receipt of this order, as per law and communicate the same to the petitioners.

The writ petition is disposed of accordingly. No costs.
